MEMORANDUM FOR: Deputy Director of Basic and Geographic  
Intelligence

SUBJECT: Requirements for Research and Development

REFERENCE: Your memo, same subject, dated  
16 November 1970

In response to the reference, ED/BGI has no guidance to offer R&D managers in terms of NIS needs. We understand that ADP technological advances in processing and equipment applicable to the EPIC printing system are under continuing review in OCS and PSD, and we assume that any R&D requirements developing from such review would emanate from either of those offices.
